Chris, Team "B" is in trouble!
You've got to cover their story!

Team "B"... Lois' team! Is she okay?

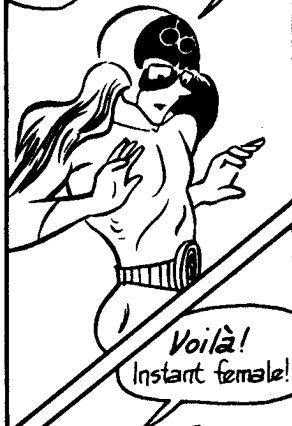

He's demanding \$5 million and a date with Tom Cruise. Now, take your camera and go.

...Gender Bender!

Whoops! I forgot the tits.

I love rescuing Lois. I think she gets kidnapped by evil geniuses on purpose. I'm glad Superman is busy rescuing Clark Kent. Lois is nice to him, but she knows what she likes!

The last time I rescued her was fantastic! Lois is great in bed, and incredible at 30,000 feet!

Golly, that's Jimmy hanging over the edge of the Stonewall Monument. What has Brain-Storm done with Lois? I hope I'm not (gulp) too late!

Ha-Haa-Ha!!

Wait, there she is!

Stop right there, Gender Bender! One step closer, and I'll bite through Jimmy's underpants, and he'll fall to his doom.

HELP! HELP!!

Lois! Thank Goddess you're safe! How did you escape from Brain Storm?

He didn't want me this time! He kidnapped Jimmy instead! So that's the fiend's plan!

He thinks he can thwart me by taking a hostage of the wrong sex. If he thinks that will stop me--!

Look, Gender Bender, I'm not the jealous type, but you can't rescue Jimmy. It'd be heterosexual.

Then you underestimate me, too, my dear!

You've had it, Brain-Storm! Now I'm ready to rescue Jimmy!

THE END! (I can't bear to watch)
