

I've got it in my sack  
I'll never give it back!

What *was* Boxing Day? Can you remember?  
Wasn't it sometime in December?

I stole Boxing Day  
I got clean away!

The day for  
"Merry  
Christmas,  
love"

And thank him  
with a boxing  
glove

The gift came  
with a crack  
So box it up and  
ship it back

It's when you  
share your  
Yule log  
With a  
friendly Boxer  
dog

"I know," little Tim  
retorts

"It's the day you  
wear your boxer  
shorts"

How *did* he steal  
it, Kurt?  
He walked out  
with it on his  
shirt!
