

Have a Merry Global-Warming Christmas

Global warming will have profound effects on our ecology
Look what it's doing to Christmas!

Santa gets
a new costume --
and body!

Santa delivers
presents in a sleek new
dugout canoe

Santa climbs
into the house
through the air
conditioner

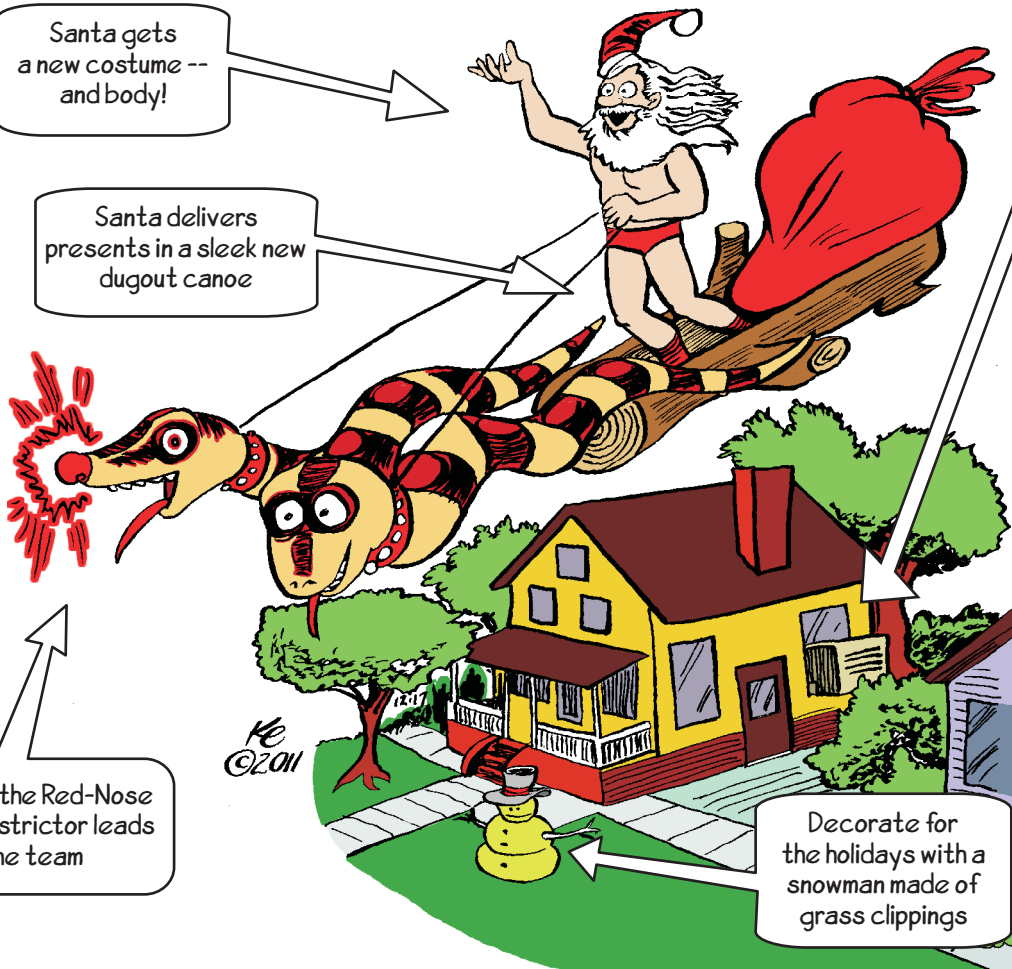

Happy Holidays

Don't spend too much
time in the sun!

Rudolph the Red-Nose
Boa Constrictor leads
the team

Decorate for
the holidays with a
snowman made of
grass clippings

KE
©2011

Celebrate with a traditional treat -- gazpacho
wassail, made with fresh tomatoes from your
Christmas garden!

Yum, yum!
